J. Paul Lukasiewicz, DMD P.C.
Deborah L. Bellavance, DMD

Quality, Affordable, Compassionate Dental Care for You and Your Family

Welcome to our General Dental Practice. We are dedicated to providing you with the highest quality dental treatment in a personalized and caring environment. Our state of the art facility allows us to provide you with the latest advances in dental care today. We pride ourselves on making your dental visit an enjoyable one!

We go to great lengths to protect your safety in our office. Every instrument is subjected to a rigid sterilization protocol prior to its use in your treatment. Our Sterilization Center features ultrasonic cleaners and three hospital grade steam autoclave sterilizers to provide a level of sterilization that meets or exceeds all standards from the American Dental Association and the Center for Disease Control. We have to, because in addition to treating your dental needs, we also treat our staff members, their families and children in this practice. You can be sure that we are just as diligent in protecting their safety in this office as we are in protecting yours. We would be proud to show you the steps we take in infection control or answer any questions you may have at any time regarding this subject.

Dr. Mooney is a cum laude graduate of Boston College and Georgetown University School of Dentistry. After graduation from Georgetown, he served with the United States Navy Dental Corps and received advanced training in all the dental specialties. He received the Commanding Officers Award for Clinical Excellence and the Navy Achievement Medal for his professional skills. Dr. Mooney is a member of the Massachusetts Dental Society, the Eastern Middlesex District Dental Society, the American Dental Association, Academy of General Dentistry, and the New England Dental Association. Dr. Mooney was selected as the "Best Local Dentist" for the Woburn and Winchester area by the Readers Choice Award from the Community Newspapers for the tenth consecutive year from 1998 to 2007. He was also chosen by "**Boston Checkbook Magazine**" as one of Boston's best dentists in both their 2005/2006 and 2007/2008 editions. He was voted as Regional Favorite Boston North by **Reader's Choice** in 2007. He has been in practice in Woburn since 1989.

Dr. Lukasiewicz is a graduate of Syracuse University and Tufts University School of Dental Medicine. After graduation Dr. Lukasiewicz served with the United States Navy Dental Corps and received advanced training in all the dental specialties. He was awarded the Navy Achievement Medal and the Navy Commendation Medal. He is a member of the American Dental Association, the Massachusetts Dental Association, the Academy of General Dentistry, Rhode Island Dental Association and New England Dental Association. He has been in practice with Dr. Mooney since 1997.

Dr. Bellavance is a graduate of Merrimack College and Tufts University School of Dentistry. She is a member of the American Dental Association, the Massachusetts Dental Association and the Eastern Middlesex District Dental Society. She is trained in all phases of dentistry and has received many laudatory comments from our patients for her esthetic care and her compassion. She has been in practice with Dr. Mooney since 2005.

At your initial appointment the doctor will perform a thorough clinical examination and oral cancer screening with any necessary radiographs being taken at this time. The doctor will then present these findings to you and inform you of the options available for your treatment. At this time we will also provide you with an estimate on the length of time necessary for treatment and a written estimate on the expected cost of the treatment options available to you.

In order to keep your treatment costs as low as possible, we request payment at the time treatment is rendered. If you have dental insurance, as a courtesy we will submit your forms for you and request your co-payment at the time your treatment is performed. For your convenience we accept Visa, MasterCard, American Express, Discover Cards and Care Credit Financing.

Enclosed you will find our Health Questionnaire and Registration Forms. Please complete them and return to us in the enclosed, self-addressed, stamped envelope prior to your appointment. This will allow us to complete your registration into our practice. If you have dental insurance, you will want to bring your own insurance form or card completed and signed to your first visit. Our practice is conveniently located at the junctions of Routes 128 and 38 with ample free parking available. We offer early morning, evening, and Saturday appointments. We look forward to meeting you and thank you for allowing us to serve your dental needs.
